Dear Taoiseach,

I refer to our letter to you of 30 November last.

The effect of the cuts to the CE schemes together with the cuts to HSE funding means that our member's personal assistance hours continue to be cut.

Our members are no longer going to stand for the way they are being treated by Government; accordingly we have been mandated to step up our campaign to have cuts to personal assistance service hours reversed and to continue to so do until this has been effected.

Yours sincerely,

Thomas King
Vice Chairperson
